

Protect yourself and others!*

Testing and verification requirement of tested, recovered and vaccinated people (not older than 24h per event day*).

- Tested: Individuals with a certified negative COVID-19 rapid test/citizen test or PCR test.
- Recovered: People with a convalescent certificate according to § 2 No. 5 SchAusnahmV, where the underlying PCR test must be at least 28 days and maximum 6 months old. In case of a recovery over 6 months ago, a single COVID-19 vaccination is required. This vaccination must have been received at least 14 days before the event.
- Vaccinated: People who are fully vaccinated for 14 days and can produce a recognized vaccination pass (yellow vaccination certificate or digital vaccination certificate).

No contact

If you have any cold and flu symptoms please do not attend the event.

Wear a face covering*

Please bring a medical mask (FFP2 or surgical mask**) with you to the event and wear it, if social distancing cannot be maintained or designated protected areas are entered.

Keep distance*

Keep a distance of 1.5 m to the other people if possible. Otherwise wear a face covering.

Wash hands

Wash your hands several times a day with soap for at least 20 seconds. Please try not to touch your face.

Do not shake hands

Refrain from shaking hands and give a smile as a greeting.

Hygienic cough

When sneezing or coughing keep your distance from others. Sneeze and cough into your elbow.

*Please also refer to current federal and state decrees.

** Please observe the recommended wearing time of face coverings.
