

Protect yourself and others!*

Health measures

The health and safety of all guests, employees and stakeholders is our highest priority. Our commitment to quality continues to focus on providing you with added value through knowledge exchange and networking, within the framework of a COVID-safe and preferably low-contact implementation and organisation of the event.

- We follow the official guidelines for infection control to contain "Covid-19" and implement, at a minimum, the prescribed hygiene measures for events.
- Our hygiene concept with federal state-specific Covid rules can be found on our [website!](#)
- Please inform yourself about the currently valid resolutions at the venue!

No contact

Entering the venue is not allowed in case of cold and flu symptoms!

Wear a face covering*

We recommend wearing a medical mask (FFP2 or surgical mask**)

Keep distance*

If possible, please keep 1.5 m distance to other other persons.

Wash hands

Wash your hands several times a day with soap for at least 20 seconds. Please try not to touch your face.

Do not shake hands

Refrain from shaking hands and give a smile as a greeting.

Hygienic cough

When sneezing or coughing keep your distance from others. Sneeze and cough into your elbow.
